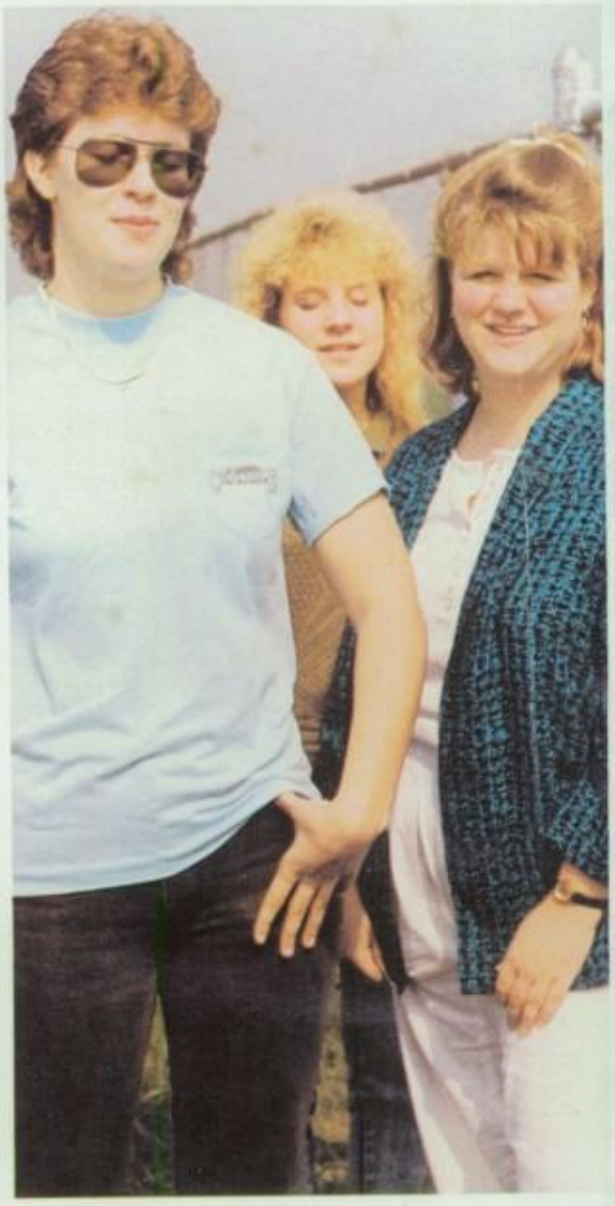
"SPARTANS UNITED WITH PRIDE"

New Holland, PA 17557

Mr. Yost was feeling blue until Kim Youndt, Sheri Monger, Beth Zimmerman, and Melodee Espenshade cheered him up.

Patty Fulton guides Susan Lando and Pam Good around the school grounds on their trust walk.



Doug Hurst and Mike Roth tell Jeff Groff, "You can lean on me," while Wendy Hurst looks on.

Mrs. Watro's 6th and 7th period office procedures class has learned that unity is necessary for both a smooth running business and class.

Steve Lehman can't get over the thought that he's actually going to graduate this year.

Bill Martin is shown the proper way to pose for a picture by Stacey Hoffard, Dennis Weaver, Chad Groff, Jodi Hutchinson, Molly Wise, and Leroy Martin.

Ryan Sensenig, Scott Giacobello, and Brian Mahoney know just where to hang out to have a good time.

Senior Class Officers and Representatives- Row 1: Vicki Martin, Krista Martin, Lisa Landis, Mr. Stan Deen (Advisor), Tricia Fry, Heidi Hartz, Lori Snader. Row 2: Rob Trigalet, Dennis Weaver, Jesse Ashcroft, Mike Deppen, Rod Usner, Beth Zimmerman, Kelly Beck, Kelly Good.

Keith Knox, Vicki Perry, and Tracy Kreider laugh at the thought of eating in the cafeteria.

Jane Beck smiles at the thought of being surrounded by good looking men like Troy Getz and Phil Chubb.

Cinderella's Ball Dazzles Guests

Jeremy Ervin, the towncrier, announces one of the many couples who attended the 1987 prom.

Mr. Deen displays a friendly smile while welcoming Nanna Gonzales to the prom.

"Cinderella's Ball" was the place to be on May 15th, where your Prince Charming or special Cinderella could be found. Fond memories of friends and special occasions were reminisced while watching the slide presentation. Entertainment was provided by the Fancy Brass Band. Everyone felt right at home in the Edwardian Room at the Olde Hickory Inn.

Sonya Hershey was the honored Cinderella with Jeff Houck as her Prince Charming. The first runners-up were Michelle Lewis and Corey Weaver. Jim Shirk with his rendition of the senior's class song, left the crowd tapping their feet to the beat.

We would like to offer a special thanks to the class of 1988 for a successful and memorable Junior-Senior prom.

Mark Dissinger, Brian Hollinger, Todd Randall, Mike Middleton, and Jim Shirk say, "We be jammin."

Dennis Weaver crowns Sonya Hershey "Cinderella" of the ball.

Teresa Fox and Chad Usner give a toast to a delightful evening.

Couples who attended the 1987 prom take a break from the evening's activities.

Katie Hunsberger, Dorie Delgado, Jeane Horning, Jenny Homan, Krista Martin, and Katrina King help Jenny Haselhorst, a new student, fit in at G.S.

Larry Martin, Jeremy Ervin, Rocky Hale, and Jim Martin debate about where to go after the soccer game.

While sitting outside for class, a group of students listen intently to what Dr. Burkhart has to teach them.

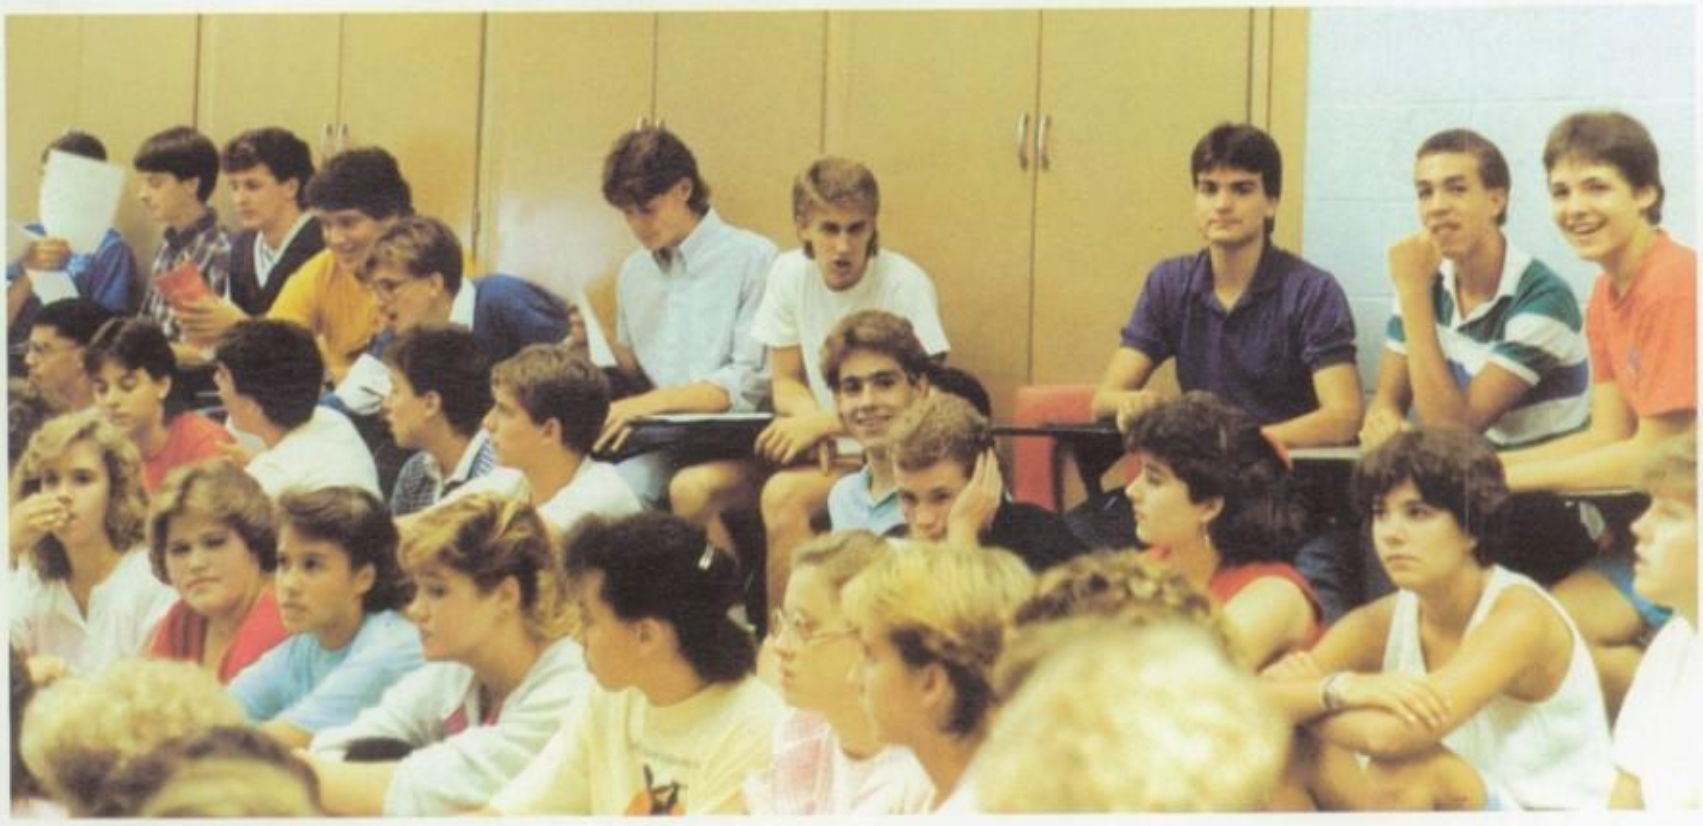
A group of Juniors wait in line to see Mrs. Searle—What did you do this time kids?

Rocky Hale and Keith Halsey give Spartan Soccer "Thumbs Up" and hope to have a great season.

Travis Eby tries to take a little nap before the bell rings while his classmates are wide awake and ready to go.

Jen Deckleman tells Diana Fulmer that she'll have to get her own lollipop because this ones hers.

Lanita Newswanger, Jessi Buzzard, Stacey Hoffard, and Carla Castagna show that cheerleaders unite to show their school spirit.



G.S. students gather to listen to some great music that can only be heard in the Music Department.

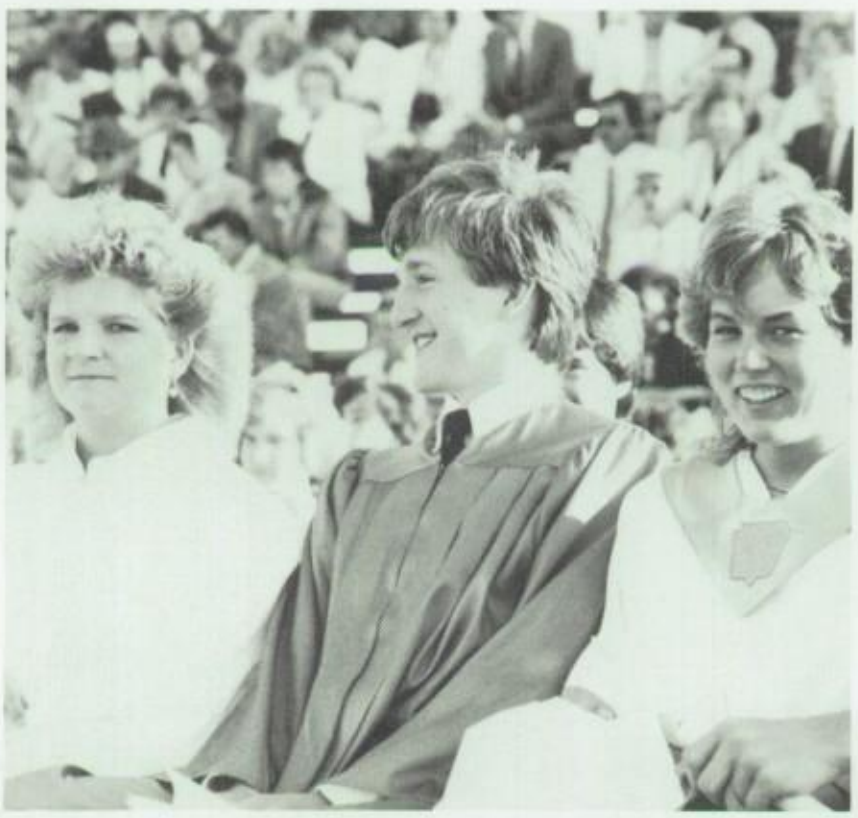
Graduation

1987

Mrs. Fisher, an adult graduate, gives an inspirational speech during the commencement ceremony.

Graduates stand together before their final march through Garden Spot.

Jeff Houck and Kristin Middlekauff await their future anxiously but will always remember their years at Garden Spot.



Joy Andrews, Travis Martin, and Cindy Hohl smile as they sit together for the last time as senior class officers.

Graduating senior, Chad Horning, plays his last note at Garden Spot.

Steve MacHenry smiles, with his diploma in his hand ready to tackle the world.

Principal Donald Reed bids a fond farewell to the class of 1987.

Travis Martin congratulates Sean Good with his senior rose.

Amber Hainley reflects on her past years at Garden Spot.

Sarah Greer, Jeff Hartranft, Danette Caffrey, and Jesse Kern look to their future goals with their years at G.S. finally behind them.

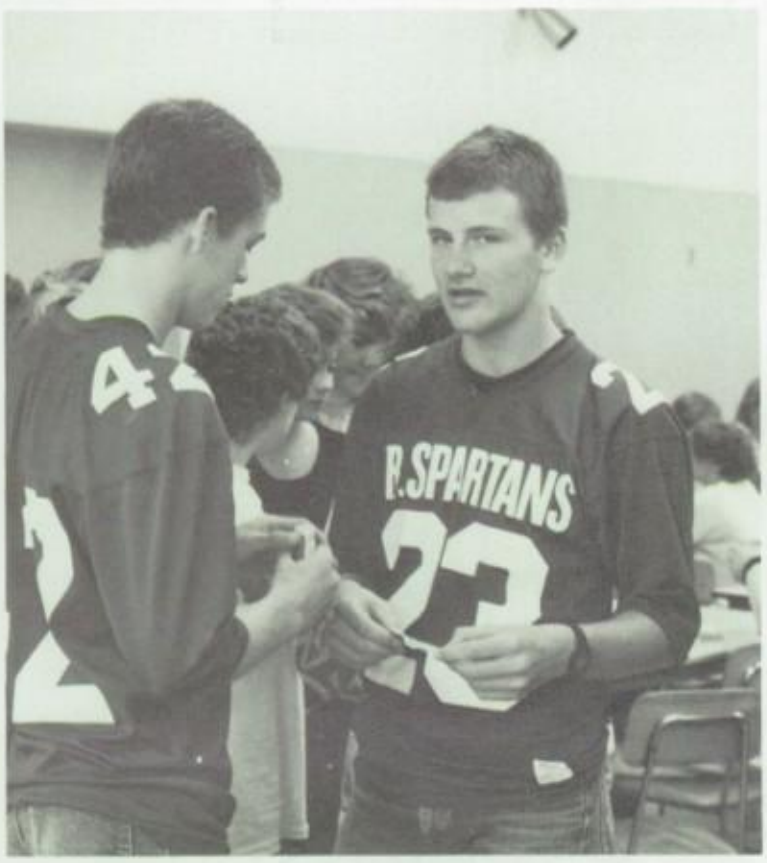
ATHLETICS

The Girl's Track Team relishes the few moments to relax before practice.

Dan Gockley's hopeful attempt to score the winning run falls short by the third out made in the inning.



John Shirk attempts a backhand smash while at tennis practice.

The Junior Spartan Football players debate on which lunch to tackle.

Coach White consults manager Kim Youndt, to see if Garden Spot still has the winning edge.

"Come one step closer I'll knock you flat," warns Jenny Barker.

Jeff Houck ('87) has what it takes to be a shining All-star.

The team catcher throws the ball on the winning play.

Brock Martin winds up to blast the opponents with one of his famous pitches.

Tim McCarty prepares to slam another home run to win the game.

Varsity Baseball Team—Row 1: Cheryl Buckwalter (manager), Darren Brubaker, Alan Wert ('87), Chad Horning ('87), Bill Martin, Lori Snader (manager). Row 2: Mike Roth, Lee Ream ('87), Tim McCarty, Chris Shirk, Scott Giacobello, Dan Gockley, Marty Gatto. Row 3: Mike Deppen, Steve Lehman, Rob Trigalet, Brock Martin, Scott Watson, Jeff Houck ('87). Row 4: Coach Stern, Ryan Sensenig, Jim Shirk, Rod Usner, Joe Giacobello, Coach Klinger, Coach Erismen.

Varsity Baseball Catches Second

Though the Varsity Baseball team was picked to be near the bottom, their hard work and determination pulled them into second position in their section. Hard work was evident, with an over all record of eleven wins and six losses. Coached by Mr. Ray Stern, their determination paid off as they finished in their league with ten wins and six losses.

All stars included Jeff Houck ('87), third baseman, and Tim McCarty, pitcher.

Having only lost two players through graduation, the team looks good for next season. "We are optimistic for this year's team," said Coach Stern, "Most of last years young team are returning."

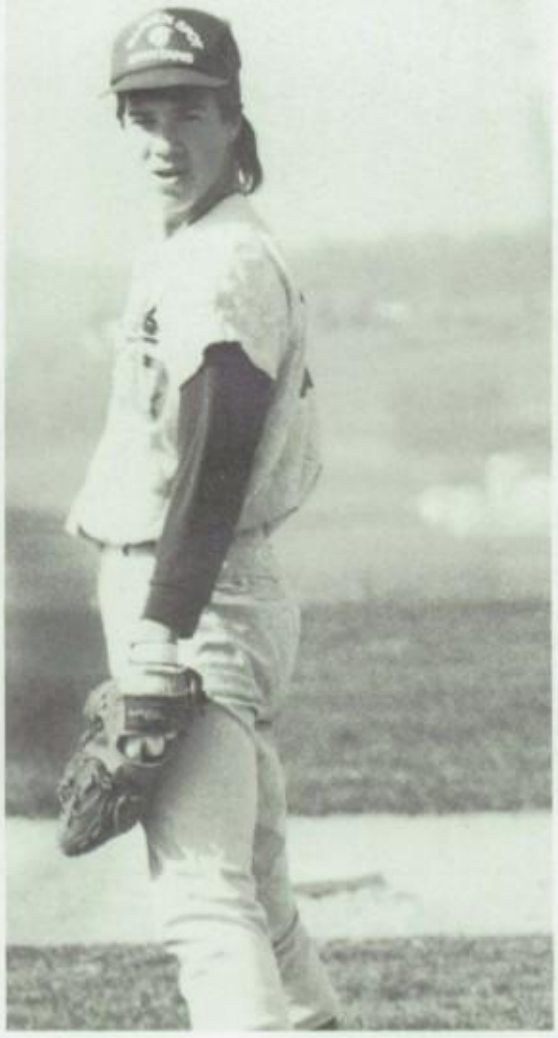
Junior Varsity Baseball Team- Row 1: Reggie Frank, Shawn Strausser, Dan Gonzalez, Benjamin Heuyard. Row 2: Jeff Sagner, Mike Lindenmuth, Nate Bott, Joe Day, Jim Martin. Row 3: Randy Rider, Eric Shindler, Todd Houck, Ray Lapp, Mike Witmer. Row 4: Steve Raezer, Dan Fultz, Sam Burkey, Don Steffy, Brian Beears. Row 5: Coach Bair, Aaron Schoenenberger, Steve Risser, Mike Reifsnyder, Todd Hoffard, Wilson Good.

Determination Deters Opponents

This year's Junior Varsity team, Coached by Mr. Rick Weymer, consisted of twenty-one designated players. Through hard work they finished the season with a record of two wins and fourteen losses.

Some outstanding players included: Dan Gonzales, short stop, who led the team in stolen bases; Shawn Strausser, pitcher and outfield, and Todd Hoffard pitcher and third baseman, who led the team in walks.

Looking forward to next season Coach Weymer explains, "We should have most of our young team back next season. The players are getting phsyched to play ball again."



Shawn Strausser sizes up the batter to determine which pitch would be the best to strike him out.

Nate Bott catches the ball and tags the man out at first base.

Varsity Softball Team- Row 1: Jenny Barker, Becky Shopf, Robin Troop, Holly Zimmerman ('87), Kristen Middlekauff ('87), Jen Deckleman. Row 2: Carla Castagna, Heidi Groff, Kim Dandall, Alana Shindler ('87), Sue Schnader, Stacy Kurtz. Row 3: Anissa Zerbe, Jeane Horning, Pam Lawhead, Julie Lefever, Carey Habalar, Coach Bruce Shopf.

Anissa Zerbe watches the pitcher in anticipation of scoring a run.

Grand Slam Into Fourth Position

The Girl's Varsity Softball team, coached by Mr. Gene Hale and Mr. Bruce Shopf, finished the season with a record of six wins and eleven losses, placing them fourth in their section. "The two strongest teams we played were Ephrata and Manheim Central," said Coach Hale.

Leading the way were the team captains Julia Lefever ('87) and Kristin Middlekauff ('87). Kristin was the only player to make all-star status.

Coach Hale believes that with the return of experienced players Jenny Deckleman, Becky Shopf, Stacy Kurtz, Jeane Horning and Pam Lawhead, the new season will be promising.

"I think the team will do better next season," says Coach Hale, "Most of this seasons starters are coming back."

Kristen MiddleKauff waits anxiously for the chance to tear apart the opposing teams offensive plays.

Pam Lawhead, Jen Decklemen, and Julia Lefever ('87), laugh confidently at Coach Hale's strong, strategic plays.

Junior Varsity Softball Team- Row 1: Crystal Horst, Melody Kennel, Shelly Hock. Row 2: Coach Burkholder, Lisa Sports, Yvonne Mercado, Shelly Zanders, Jenny Hostetter, Diane Tanner, Sharon Redcay. Row 3: Coach Kilgore, Cathy Fultz, Kim Brendle, Dorie Delgado, Katrina King, Susan Lando, Katie Hunsberger.

JV Softball Strives For Top

The Junior Varsity Softball team, coached by Robert Kilgore, finished the 1987 season with a record of six wins, eleven losses, and one tie. "I think we had a good starting line," said Sue Lando, third baseman, "even though we did have a lot of inexperienced players."

Karie Hunsberger prepares to throw a strike.

Katrina King waits intently for the pitch to be thrown.

Going for the sure out, Dorie Delgado throws the ball to the first baseman.

April,
To a really cool person I met awhile ago. I hope you get everything out of life that you want; you deserve it! I'm glad I know you, hope to see you over the Summer!
Thanks For Your Friendship!
Love ya, Kim '90

Have A Wonderful Summer!!

Boy's Tennis Smashes Best Season In Last Decade

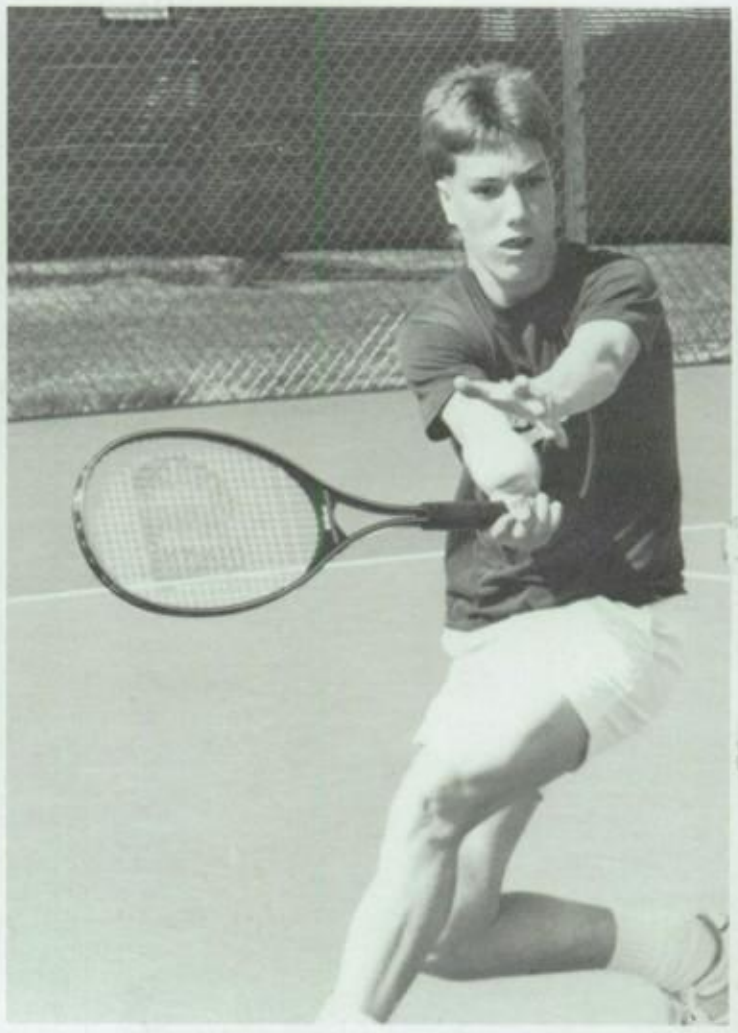
The Boy's Tennis team defeated many difficult teams this year to finish with the best record the Garden Spot tennis team has had in the last decade. The Spartans finished third in their section with a record of five wins and three losses and a record of eight wins and four losses overall.

Steve MacHenry ('87), in fourth position on the team, led all Spartans with a record of ten wins and two losses. Aggressive plays were seen by Sean Park in fifth position, John Komancheck ('87) in third position, Steve Hess ('87) in second position, and Jamie Komancheck in first position.

"This season was a surprise," said Kevin Winey and Jamie Komancheck, "We did well despite the fact we were short on people."

Concentrating on the serve, Lance Stoudt, waits for the chance to smash the ball across the net.

Jamie Komoncheck can't wait for the ball to reach him so he can slam it into the opponent's court.

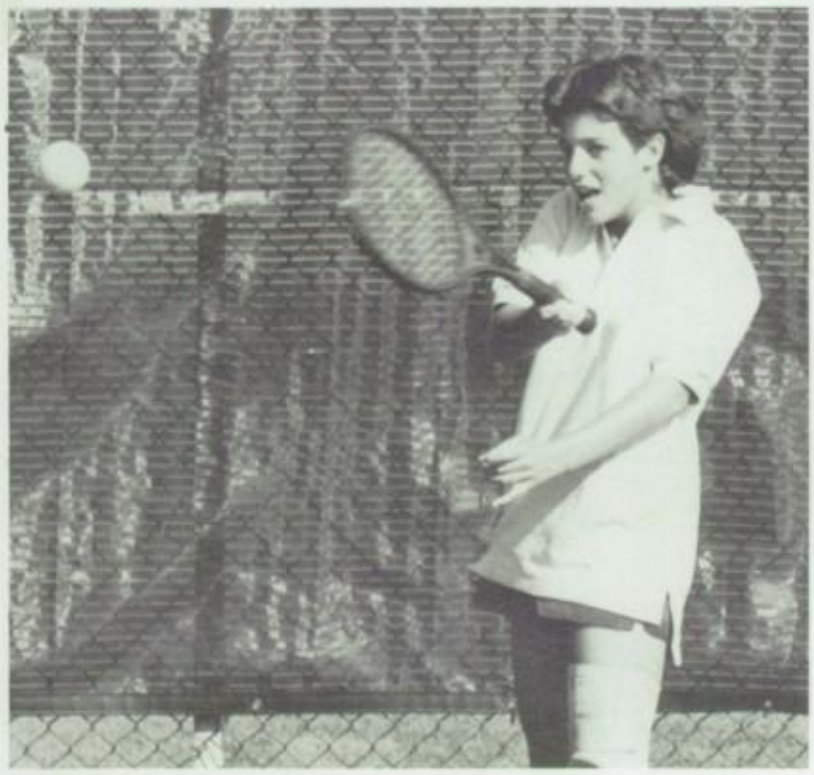


Boy's Tennis team- Row 1: Lance Stoudt, Jeff Wirmer. Row 2: Jamie Komancheck, John Komancheck ('87), Steve MacHenry ('87), John Shirk, Kevin Winey.

Steve MacHenry does the soft shoe on the tennis court to throw off his opponents.

Girls' Tennis Team- Row 1: Krista Ketner, Jenni Wolfe, Sheila Houser, Amie Burkhart. Row 2: April Weinhold, Tammi Kline, Becky Shopf, Pam Lawhead, Katie Hunsberger. Row 3: Coach Wiley, Lisa Musselman, Kirsten Schmidt, Dawn Crowther, Lisa Sports.

Pam Lawhead returns the ball with natural finesse.



Becky Shopf confidently laughs at her opponent's serve.

Lisa Sports thinks if she dances before she hits the ball it will will make a better play.

Katie Hunsberger waits anxiously to see where her serve lands.

Girls' Tennis Team Works Hard

"The girls worked hard this year," said Georgann Wiley, Girls' Tennis Team Coach for the '86-'87 seson and, "Hopefully we will have a team next season that will work just as hard."

The team finished the season with a record of three wins and seven losses in league play. Out of the sixteen girls who went out for the team the three lead players were: top-ranked Becky Shopf, Katie Hunsberger, and Pam Lawhead. "The toughest team we faced was Manheim Township," said Coach Wiley.

The team was pleased that so many girls tried out and since next season they will have many returning players, success is on the horizon for these tennis greats.

Girls' Track Continues To Hold Strong

The Lady Spartans of Track finished the season with a dual meet record of seven wins and three losses. This season was marked with outstanding performances in many areas. Two school records were set by Kim Hable ('87) in the 800 meter run and Carol Martin in the javelin. G. S. had a first by taking first, fourth, and sixth place in the javelin in District competition. Krista Kunkle ('87) finished sixth in the state javelin event. In the county meet the team placed sixth. Carol Martin placed first in the javelin bringing in a medal.

The 1987 girls' track team was a balanced dual meet team, always a threat regardless of the opponent. Not only did they have first place performers but second and third place athletes as well. Strong leadership was provided by Sonya Hershey ('87), Kim Hable ('87), and Jonell Sweigart ('87), who were also the team captains. Underclassmen were strong point getters. Mindy Ashcroft posted outstanding times in the 100 meter hurdles. Tami Reider, top point scorer, could always be counted on in dual meet competition. Heidi Hartz lead the distance group, Karen Welsh ('87) lead the sprinters and Carol Martin received the first Girls' Track Spartacus Award.

Leading the way in distance running, Heidi Hartz has what it takes to make a winner.

While throwinug the discus, Rosie Linderman shows the form that took her on to victory.

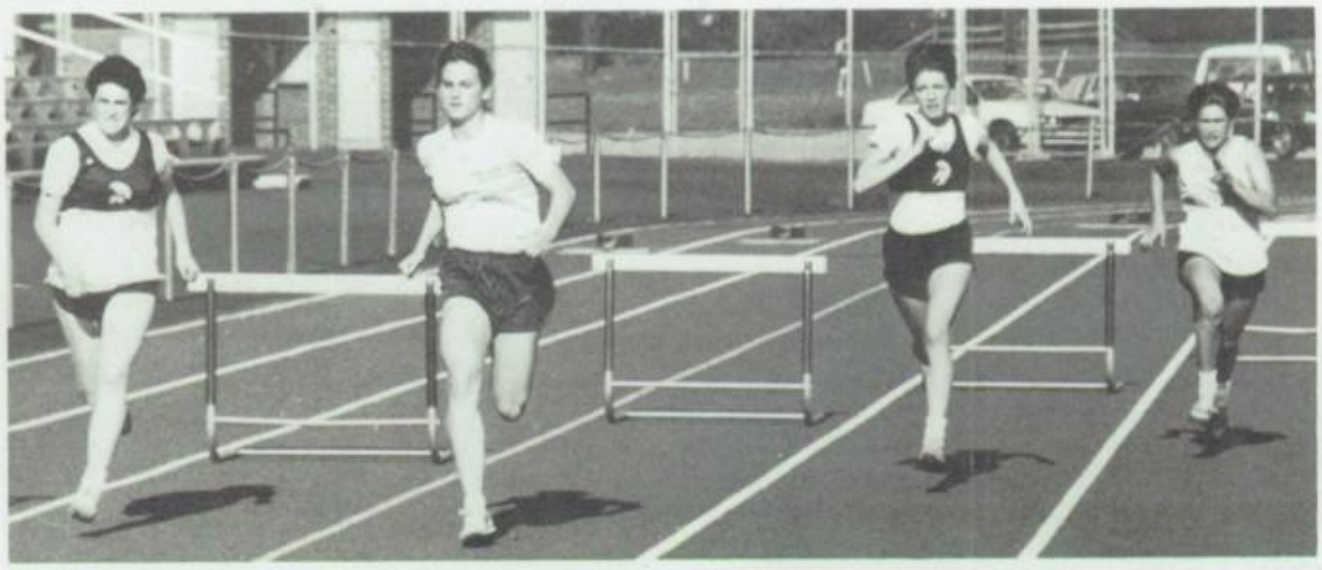
Tami Reider wanted to fly, so she competed in the running long jump category.

Girls' Track Team-Row 1: Missy Bowman, Molly Wise, Jonell Sweigart, Tracy Cobb, Krista Martin, Heidi Hartz, Brandy Ginder. Row 2: Tammy Fox, Tami Reider, Lisa Bair ('87), Louise Butrovich ('87), Sonya Hershey ('87), Becky Barker ('87), Tonya Neff, Gwen Eberly ('87), Darla Wissler, Angie Siedhof. Row 3: Coach Earheart, Mindy Ashcroft, Carol Berwind, Leslie Witwer ('87), Krista Kunkle ('87), Rosie Linderman, Carol Martin, Sara Shimp, Karen Welsh ('87), Coach McComsey, Coach Myer.

Tonya Neff strives for first place excellence in distance running.

Angie Siedhof and Darla Wissler know that working together makes a winning team.

G. S. hurdlers, Becky Barker ('87) and Tami Reider, show their opponents that the Spartans know how to gain points.



Jonell Sweigart grits her teeth and shows the G. S. determination.

"Running is our lives," say Kim Hable ('87) and Leslie Witwer ('87) as they finish the last leg of their run.

Doug Valverde concentrates on his stride as he prepares to hand the relay baton to the next runner.

Scott Ginnett flies through the air with the greatest of ease in the running long jump.

Paul Musser concentrates on throwing the shot to take first place in a crucial meet.

Boys' Track Is Successful

The Varsity Track team had a very successful 1987 season. They finished second in their section with a record of ten wins and only one loss to rival Lancaster Catholic.

"The team is still young and we gave Catholic as close a meet as we could," said assistant Coach Todd Reitnouer. "We look forward to having the meet on our track next season with a more experienced team."

The top point-getter and Spartanus award winner was Todd Randall ('87). A lot of points were contributed by sprinter Jason Stillman and thrower John Stoltzfus.

Since many lettermen are returning for the next season, the team should do well. Because of the strong coaching of Mr. Russ White, Mr. Robert Lauffer, and Mr. Todd Reitnouer, a successful season is expected for next year.

Boy's Track team- Row 1: Nelson DeJesus, Doug Valverde, Brian Hollinger, Matt McConnell, Todd Randall, Bruce Borremans, Chris Supplee, Travis Martin. Row 2: Jesse Ashcroft, Matt Brimmer, John Cho, Galen Martin, Bob Arment, Gid Coblentz, Paul Musser, Chad Groff, Scott Ginnett, Ron Blank. Row 3: Coach Hildebrand, Phil Horning, Hoyt Craver, Vince Rissler, Chad Witmer, Troy Kauffman, Andrew Casey, John Stoltzfus, David Seifrit, Jason Stillman, Guy Lefever, Tony McFadden, Sean Hollinger, Coach White, Coach Reitnour.

Travis Martin comes from behind to try to capture a significant place in the race.

G. S. runners check out the competition before the meet.

Mr. Lauffer congratulates Vince Rissler on a winning score.

Hoyt Craver gets a running start into the season.

Matt McConnell wonders if he can get enough energy to jump the bar five more times.

Spartan Soccer Kicks A Tough Season

Chad Groff shows the form of a winning athelete while making a defensive save.

Mike Witmer kicks the ball into the twilight zone, making sure the opposing team will never make a goal.

Troy Kauffman moves the ball down the field with the ease of a pro.

Varsity Soccer Team- Row 1: Brenden Gingrich, Todd Hoffard, Chad Groff, Scott Ginnett, Panh Sisay, Aaron Schoeneberger. Row 2: Matt Herrington, Ryan Sensenig, Darren Brubaker, Bob Freeman, Chris Weinhold, Jeff Witmer, Keith Halsey, Kevin Winey, Rob Johnson. Row 3: Coach Scotten, Jeff Groff, Rockey Hale, Steve Lehman, Jeremy Ervin, Jess Ashcroft, Troy Kauffman, Shawn Hollinger, Eric Emery, Doug Hurst, Mike Witmer, Coach Stern, Coach Groff.

The team gathers for a victory huddle after another winning game.

The Varsity Soccer team worked through a tough season to end with a record of four wins, nine losses, and one tie. They struggled with four losing scores of 1-0.

The team had two all-stars, Mike Wirmer and Troy Kauffman, who will be returning next year. However, they will be losing Chad Groff, who received honorable mention. They will also be losing two other starting players due to graduation.

With a record of five wins, four losses, and three ties, the Junior Varsity Soccer team, coached by Darryl Groff, had a fairly successful season. Such outstanding players as Chris Herr, left halfback, Jeremy Ervin, sweeper, and Travis Eby, point, were key factors in the team's success. Also Todd Hoffard and Scott Ginnett recorded good seasons in the goal.

The Ninth Grade Soccer team also had a good season, finishing with a record of eight wins, six losses, and one tie. Their toughest competition came from Hempfield who scored with only a few minutes left after a 1-1 tie most of the game. Coached by Fred Erisman, the team members voted most valuable players were Matt Smoker, Chris Caruso, Chad Kauffman, all at fullback, and Nik Martin, wing.

Tough Season For Golf Team

The Golf team, in its second year, had an interesting yet disappointing season. Despite not winning a match all year the team kept high spirits and improved throughout the year. They faced many tough opponents, especially Manheim Township and Lancaster Catholic.

The Golf team also played on difficult courses such as Conestoga Country Club and Lancaster Country Club. Junior Jamie Komancheck led the team and qualified to play in the districts. The team hopes to do better next year, but for that to happen they will need more people to come out for the team.

Doug Nolt concentrates on the stride that will clock his best time.

Tonya Neff paces herself for the maximum output that is needed to win the meet.

It is the start of the meet and the Garden Spot runners are eager to win.

Cross Country Needs Committed Runners

Running on determination, the Cross Country team ended the season with four wins, with the toughest competition being Manheim Central. According to Coach Robert Kilgore, to do better next year the team will need more committed runners. His goal is to develop his team into one with more depth. He would like to see a minimum of twelve runners on the boys' team, as opposed to the six or seven boys they had this year, and the girls' team also needs a minimum of five competitors.

"They're all outstanding," said Coach Kilgore, "Everytime an athelte betters his personal performance they are outstanding." Because the boys' squad has all of their members returning, he is looking forward to a good season next time around.

Varsity Spartan Football has made tremendous strides between last year and this year. This year's record was one win and six losses and involved many close games.

"Attitude is one of the major reasons why we've had a better season," said one of the coaches, Dennis Hornberger. Mr. Hornberger, his assistant coaches, and the entire football team got themselves ready each week to play against their opponents and each week their plays got better.

Seniors Mike Hohl, Bob Armentt, and Gid Coblentz have had a good season, doing well on the line for the whole season. Phil Horning, a junior this year, also had some excellent performances at tight end. Junior Chad Harsh and senior Chris Shirk have played well on both offense and defense.

Next year they will have six out of eleven players returning on offense and seven out of eleven players returning on defense. "Rocky Hale, our kicker, will be returning also," said Hornberger, "We expect big things from him." It should be a very good year for Spartan football.

The ninth grade football team had a very good season this year with a record of seven wins and one loss. The first string defense allowed only eight points in eight games and they outscored their opponents 136 to 36.

Outstanding players this year were quarterback Craig Alderfer; receivers Mike Clauser and Bob Hedrick; fullback Mark Zimmerman, linemen Mike Stoltzfus, Shawn Eberly, and Dave Hess; and kicker Abe Good.

For the first time at Garden Spot, the Varsity Field Hockey team was crowned District III AA, Champs. Coached by Todd Reitnouer, they finished with a league record of 6 wins, one loss, and three ties and an overall record of eleven wins, five losses, and three ties. The team ranked fourth in their section and were state AA quarterfinalists.

Krista Martin and Heather Groff made the all star first team and Carol Martin was also named the *Intelligencer Journal's* Athlete of the Week. She was also named the *Ephrata Review's* Athlete of the Week along with Jen Deckleman, Dorie Delgado, and Jeane Horning. The team will lose five seniors but next year many starting sophomores and juniors will return.

Undefeated JV Hockey Wins With Defense

Remaining undefeated, the Junior Varsity Field Hockey team finished with a record of eight wins, no losses, and eight ties. Toughest competition came from Hemphield, Penn Manor, and Manheim Township. Defensive play was exceptional all season.

Coached by Winnie Gerlock, the team's outstanding players were Brandy Ginder, Aimee Hurst, Darbi Witmer, and the entire defense for only allowing one goal to be scored against them.

"The team played to their potential," said Coach Gerlock, "They gave it their all."

Cheerleaders Are Keeping Spartan Spirit Alive

This year the fall cheerleading squad was composed of thirteen girls.

The school has increased in spirit," said the cheering squad caprain, Stacy Hoffard, "Which makes it easier to cheer." The girls are glad they are more appreciated by the school. The school's spirit, along with their dedicated effort, have helped to keep their own school pride and spirit alive.

The team was coached by Mrs. Joan Lyons, who was assisted by recent Garden Spot alumni Carol Horst. Both the coaches and the girls agree, "It's a lot of hard work but the pride that you feel in the end is worth all the hard work and dedication."

Varsity Goes To Playoffs

The Garden Spot Varsity Boys Basketball team, coached by Mr. Barry Pfautz, had an overall team record of 12-12 and a league record of 7-7. This record was good enough to send our team to District Playoffs, which is the top 16 teams in Berks, York, and Lancaster County Section II. Jesse Ashcroft lead the team by being highest scorer; Dave Wissler had the most rebounds and became second scorer; Marty Gatto lead the offense. Two other key starters that made contributions all year were Jamie Komancheck and Brock Martin. "We had a great bunch of athletes," said Coach Pfautz, "We finished the season on an up tempo."

The Junior Varsity Basketball team, coached by Mr. Leo Ward, finished the season with a record of 2 wins and 18 losses. Made up mostly of sophmores, it was a young team. Coach Ward is optimistic for improvement next year because of the new group of young athletes on the way up.

GIRLS' BASKETBALL

OUTLOOK GOOD FOR NEXT YEAR

The Garden Spot Girls' Basketball team ended their season with a 4 and 14 league record and an 8 and 15 overall record.

It was an inexperienced team during this rebuilding year with four seniors, three juniors, and three sophomores. They had many close games; Junior Jennifer Deckelman was high scorer for the team averaging around 15 points a game. The outlook for next year is good with six returning players who saw a lot of action this year.

Spartan Grapplers Take Section II

With an excellent overall record of 16 wins and 2 losses the Garden Spot Varsity Wrestling team has shown the results of hard work, dedication, and agressiveness. This kind of attitude rewarded them by letting them become The Lancaster-Lebanon Section II champs.

This year, four undefeated players wrestled on the varisty team, Jody Finkey, Andrew Casey, Jeff Witwer, and Rocky Hale. Two other dominate players were Hoyt Craver and Gid Coblentz. The Spartans were not a team to tangle with as they made their way to the top.

"We expect to have a good season next year," said Varsity and J.V. coach, Gene Hale, "Though we are losing some upper-weight seniors."

Before a crucial march, wrestler Rocky Hale gets last minute advice from his father and coach, Mr. Gene Hale.

Rifle Team Has Disappointing Season

This year the Rifle team finished with a 0-8 record. This was mainly because there were only six students who went out for the team. There is a minimum limit of 10.

The team also experienced difficulties with finding a coach. "There was no way they could win a match, because you need at least 10 people. We have a good coach set up for next year. If we want to have a team next year there's going to have to be more kids involved."

Although the team experienced so many difficuties Junior, Bert Baker placed ninth in the Individual County Championship, as well as making the county all star team. "That was a great accomplishment," says Mr. Reitnouer, "We just need more involvement."

Team Improves

"This years gymnastics team was the best I have coached out of my 3 years at Garden Spot. It was the first time anyone went to the state championships which was Mindi Ashcroft," said Barbara Possessky. The lead gymnasts were Mindi Ashcroft and Kim Youndt, who both advanced to districts. The district finals were held at Hershey Middle School on February 13, 1988, and the State Competition was held at Mechanicsburg on February 27, 1988.

Mrs. Possessky's goal for the team was to beat 100 points which they did manage to achieve. This was the first time in three years.

Coach Possessky has an optimistic outlook for next year. She says this is due to the team s improvement over the year as well as the increased amount of members.

Since everything that goes up must come down, Travis Eby's feet return to the ground after showing off his professional style.

Senior Class Officers

This year the senior class officers had many goals for their final year and they achieved each one. The senior class officers were presided over by Mike Deppen; Lori Snader was Vice-President with Lisa Landis as Secretary and Heidi Hartz as Treasurer.

Two of their goals were to have a winning float and a great Farmshow stand. They won a prize for their float and the they pulled together, along with help from the rest of the senior class, to come up with a hot senior stand.

Another big goal was to have a financially successful fundraiser. They earned about $3,000 in their senior fundraiser, proving they could accomplish that goal.

"We also wanted to implement, plan, and go on a fantastic senior trip at the best possible price for each student," said senior class advisor Mr. Cobb. The seniors planned a trip to Virginia Beach through Bon Voyage Travel in Lancaster, at a reasonable price for each student.

Of course their final goal was to graduate. Mission accomplished.

"Walk forever by my side
Never lose sight of the day . . ."

We the class of nineteen hundred and eighty eight have lived many days together with a comradeship and spirit that will not soon be forgotten. We began our high school days six years ago as energetic, undisciplined "kids." As we passed through the revolving doors of education our exit has left us as eager, yearning adults.

"Stay forever in the light
Never lose sight of the way . . ."

With this in mind we meet the future head-on, knowing that our past has prepared us for the uncertain days ahead. Let us continue to grow with the future as we grew with each other.

The Flower Of '88

We started as seeds, planted together, not knowing, but hoping for growth. Our friendships furnished the water needed for the seeds to sprout.

As we filled with more and more nourishment, the tiny sprout grew into a small stem.

The troubles we faced together were our sunshine, further promoting our growth, sometimes making the stem too dry, but always giving us strength to develop.

As the stem faced the sunshine and drank the water, it grew into a bud, still enclosed but waiting for its opening.

Filled with our dreams and goals, the bud became strong enough to open its leaves and have its flower emerge. Each of us is an individual petal, needed to complete and unite the beauty of the flower.

Together as a class we are this majestic flower; nourished by strong friendships, we grew to a beautiful blossom. At graduation God will pick this flower from its stem. But the flower will always remain united in the memories of the perals- the members of the class of '88.

The 1987-88 school year has been a year of world scandal. We have seen the public humiliation of presidential candidate Gary Hart and his "fall from grace" with Donna Rice, which cost Hart his chance at the Presidency. We have also seen the crying eyes of Tammy Fay Baker and her husband, Jim, of television's, *PTL Club,* begging for the forgiveness of their followers. Then we all saw Jessica Hawn, the one who brought the televangelist to his knees, posing for Playboy magazine.

The year nineteen hundred and eighty seven marked the 200th anniversary of perhaps the most important document in American life, the Constitution of the United States of America.

With 1987 we also saw and felt the death of the amazing dancer, Fred Astaire and artist Andy Worhol. Later we read about the death of Heather O'Rourke, the little girl who starred in the movie *Poltergeist*. .

We saw the Washington Redskins destroy the Denver Broncos in football's Super Bowl, and the Minnesota Twins defeat the St. Louis Cardinals in baseball's World Series. The year of 1988 was also the year for the Olympics, with the winter sports held in Calgary, Canada.

In the music field, Bruce Springsteen was still the Boss, and U2 remained another popular group. With the return of the Grateful Dead came the return of the trendy tie die T-shirts.

In 1988 President Reagan began to regain some of his popularity which he lost during the Iran-Contra Affair of 1987. We also saw the new presidential candidates debating about their own ideas on how to run our country.

Among other headline news there was the inspiring story of Baby Jessica McClure who was trapped in a well for over twenty-four hours. Even at such a young age of 2, Jessica had the strength to fight and survive the tragedy. The space shuttle remained grounded since the tragic explosion that occured two years ago. At home, Pennsylvania passed the new seatbelt law which requires all to wear seatbelts. This law took effect in 1988. Our neighboring town of Ephrata was the scene of a KKK rally held in early Fall.

On television, shows like *Alf, The Cosby Show, LA Law,* and *Growing Pains,* were among the top. We also got a kick out of "The Church Lady" who appeared on Saturday Night Live, keeping "Isn't that special" a popular phrase.

These events mark only a few of the important happenings of the 1987-88 school year. After reading this we hope it will trigger memories from your Freshmen, Sophomore, Junior, or Senior year.

JUNIORS

JUNIOR CLASS OFFICERS

The class officers of 1989 are working hard on putting together a memorable prom for the seniors. They were also busy raising funds by working at the parking lot during the New Holland Farm Show. The Juniors took second place for the second time in a row in Homecoming float judging.

"There was a lot of class unity and spirit reflected in the making of the float," said Cheryl Harsh, a junior class representative. Also, the Junior class is looking forward to planning their senior trip. They are advised by Mr. James Middlekauff, who took over this year. He is doing his best to support and give new ideas to the class. The class of 1989 is lead by Matt Witmer. Other officers include: Vice-President, Carla Castagna; Secretary, Tonya Neff; and Treasurer, Scarlett Peachey.

SOPHOMORES

Sophomores dream of what the future holds after their graduation from Garden Spot.

Mike Groff works hard at maneuvering the soccer ball away from his opponent.

Colleen Sweigart thinks the educational value at Garden Spot is something to get excited about.

During drafting class, Chris Schlotterbeck designs plans for his future high-tech home.

After school, Coach Reitnour prepares Varsity Hockey player, Dorie Delgado, for a crucial game.

SOPHOMORE CLASS OFFICERS

This year the sophomores showed that hard work paid off by producing the winning float at Homecoming. The Sophomore class officers also found the time to plan many things for all the school to take part in. They started their hard work and planning last May, and they also met at the beginning of the year to plan and set up the Homecoming festivities.

During the year the sophomores had a sub sale and they also had a candy sale for the Easter holiday, making plenty of money for them to complete their activities. "Being a class officer is a lot of hard work," said class treasurer Julie Porsche, "But it's a lot of fun too."

This year the Class of 1990 was presided over by Todd Hoffard and advised by Mrs. Smoker. The Vice-President was Steve Schlotterbeck; Secretary, Amie Freeman; and Treasurer, Julie Porsche.

FRESHMEN

FRESHMAN CLASS OFFICERS

The Freshman Class Officers this year worked hard to make their first year in the senior high as easy and meaningful as possible for the entire freshman class. They worked on fund raisers and did the best they could to keep lines of communications open from the officers to the class. The class of 1991 was advised by Miss Mary Moriarity. Their President was Chris Caruso, Vice President, Brandy Carson, Secretary, Jenny Wolfe, and Treasurer, Melanie Nixon.

April, You're great! It was nice to know you. You're a damn nice person and don't ever change. Hope you have a great summer + don't party to much. Take care of yourself. Good luck at Roy Rogers + Todd!

District Prepares For High School Renovations

Complementing the busy first semester, along with making adjustments for weather delays and cancellations, has been the planning for the building renovations and remodeling. At this point, after many meetings with staff, architects and engineers, we have moved to the point of a final plan and bidding. Bids are to be reviewed at the February school board meeting when the contract is to be awarded. Included in the renovations will be the remodeling of existing classrooms, new wall coverings, flooring, paint and new construction.

Major changes will occur in the science wing where existing labs will be reconfigured and additional labs will be constructed. The addition of a greenhouse/live animal area and new chemistry and physics facilities will offer a wide range of opportunities to students in the science program.

Another major change includes the combination and enlargement of the junior and senior high cafeterias into one large air-conditioned cafeteria, capable of serving the junior high in one serving and the senior high in two servings. High school classes currently break during the fifth period class for lunch and then resume their classes. In the new cafeterial design, students will eat either before or after their classes.

A new library media center will replace the current libraries offering students up-to-date resources and electronic computer research capabilities linking our library to university and research libraries. A television studio, individual computer stations and the centralization of the audio visual support media will make this area truly the hub of the educational program.

A new wing will be added to the front of the building to house computer labs. The wing will initially house two labs specially configured for the math departments. The industrial arts department will move the mechanical drawing room to the new wing, which will house their computer-assisted drafting system.

Other updates include revamping the home economics areas, the industrial arts and agriculture shops and music rooms for the senior high classes. Also included is the relocation of the wrestling and weight training areas from the basement of the junior high to a new area added to the rear of the senior high gym, across from the stadium.

Principals Continue Busy Schedule

Principal Donald Reed and Vice-Principal Donna Searle will be busier than usual with the upcoming renovations and additions at Garden Spot High School. In mid-February a Lancaster firm was selected to be the General/Contractor of the $4.5 million dollar job; several subcontractors were awarded other contracts. During this comprehensive construction, students and teachers will have to be more flexible as several areas of the school will be affected including the science wing, libraries, and cafeteria.

Guidance Has Little Change

The Guidance department has not changed much this year. Mrs. Janet Trask was added to the staff last year and is planning to remain as the secretary in the Career Resource Center. A new plan for English was started this year. It is a three year plan of alternating English electives. This change should improve the chances of students getting the courses they desire. Mr. MacKenzie, the department supervisor, said, "We are student advocates and the students are our main concern, even over paperwork."

At the beginning of this school year, Mr. Tom Matthews began his duties as Student Activities Director. In addition to teaching English, he now spends much of his time coordinating the numerous student functions including dances, pep rallies, and assemblies.

Library And Media Services Prepare For Consolidation

The main thing the Library/Media Department is looking forward to is the new media center which will start being constructed this coming summer. The center will be for grades 7-12 and will be located where the Jr. High cafeteria is now.

This year has been a transition year for both the Sr. High and the Junior High. Both began to standardize their systems of working so that when they combine, it will be much easier to work together.

One of the more exciting changes in the library will be a television studio where students will have a chance to produce programs. Some of the other changes will include a special room for classroom presentations, a faculty library and workroom, and computers throughout the media center for the student's convenience. Each student will also have a thirty hour course on how to use the center.

Accommodation Is The Key To Special Education

"The key to instruction for students with disabilities is accommodation," stated Robert Kilgore, one of the Special Education teachers at Garden Spot. In the High School there were two different Special Education programs offered by Mr. George Stroup and Mr. Robert Kilgore.

Some main goals in Mr. Stroup's class were to provide the students with the knowledge and skills to enter the world of work. Also to acquire the knowledge, skills, and attitudes necessary for successful personal and family living. In his class, special students participate in many regular areas of the school's curriculum. Students were also participating in Co-Op, Vo-Tech, and many other programs offered at Garden Spot.

The other Special Education class, taught by Mr. Kilgore, currently has 30 students on the class roster who have been identified by a psychologist as being in need of service. All of the students that were in his class have average to above average intelligence, but have specific learning problems including, but not limited to, spelling, written expression, reading comprehension, or the imperfect ability to follow oral instruction.

Mr. Stroup gives help to one of his students, providing her with the skills needed to enter the work world.

Ag Department Expects Changes In The Future

This year the Ag Department, with Mr. Clifford Day as Chairperson, made several plans not only for this year but also for the years to come at Garden Spot.

First, as a "new" course next year, the fourth year Ag program will change from *Production IV* to *Agricultural Business and Management*. Also the Ag department, within the next few years, would like to develop a number of semester courses that any student in the school could take. These courses will be in areas of mechanics as well as classroom. Examples include: *Plant Science, Animal Science, Leadership Development, Small Gas Engine Repair, Preventive Maintanence for Tractors,* and *Natural Resources Management.*

"We are also hoping to initiate a nine week course that every Freshman would take," said Day, "This would expose all students to the Agriculture Sciences."

This year, Ag teacher, Dr. Robert Herr was on a sabbatical. Mr. Daryl Schafer filled his position in the classroom.

"The library is for reading and research, not sleeping, Mr. Price!"

Mr. Verano assists Vicki Perry with her work on the Apple Computer.

This year in the business department a few changes have occurred. Automated Accounting was introduced into the existing Accounting classes. The video taping of speeches and interviews began in the Business English classes this year. Also this year Word Processing units were expanded and improved upon in the Typing and Office Procedures classes.

"Hopefully the department will continue as it has in the past," said Mrs. Dawn Watro, a business teacher here at Garden Spot, "Which is to prepare our students for entry level jobs in the local business community. We also hope to expand into the college bound area through Accounting, Word Processing, Speedwriting, and related courses."

History I Department Works On Goals

Many activities have been organized through the History Department this year, such as a field trip to Washington, D.C., the making of apple butter, and several guest speakers.

Although they were still trying to solve the difficulty of presenting electives without posing schedule problems, the history program worked on some goals. They did this by exploring ways to give student groups cultural experience. Also by trying to improve the History Program of LD (learning disability) students, and also working on a Humanities program through Social Studies.

Communications Cluster

The Communications Cluster will be having several changes occur. It will institute a three year cycle of electives next year. The cluster will have some courses offered every year, some courses offered every other year, and some will be offered every three years. The purpose of this change is to improve the chances of students getting the courses they choose by creating more sections of each course, which should make scheduling courses easier. After the renovations are completed, the Communications Cluster will have a computer room which should facilitate writing by allowing more students to use word processing.

The Language and Communications teachers are inspired by the popular phrases of William Shakespeare.

ROBERT A. WATRO

Mr. Robert Watro started his teaching career here at Garden Spot in 1958. He started by teaching English, then went on to Driver Education, and is now at his current position as Athletic Director. Mr. Watro has enjoyed being Athletic Director for the past seven years, although he says it's very different from teaching a class. In his 30 years here at Garden Spot, Mr. Watro has also coached sports; he coached Jr. High and Varsity Boys' Basketball teams for 10 years.

After a very rewarding 30 years here at Garden Spot, Mr. Watro will be retiring at the end of this school year to pursue other interests and activities. We wish Mr. Watro the very best and thank him for his many years of service to our school.

Changes Ahead For Humanities

Humanities is a combination of art and music courses working to inspire an appreciation and understanding of the arts and development of creativity. Mrs. Hudick, who is in charge of the Humanities cluster, commented there were no changes in curriculum for this year. However, there are plans for changes in the Sense Foundations course and also the addition of a music elective in musical theatre in the near future.

Mrs. Hudick knows that being a good teacher means explaining what she assigns in plain language.

After a long day at work the Humanities teachers gather around to talk about future plans in the department.

April,
Hope you enjoy

Cluster Expands

This year the math department has added fourteen new Apple 2 G.S. computers to its already vast computer system. The department is in the process of developing a new course, called Applied Geometry, which would combine efforts with the Industrial Arts department. They are also coordinating their Algebra A sequence with the Pre-Algebra class that is now being offered in the Junior High.

The department has a new teacher within it's ranks, Mr. Falvey, who taught at Cocalico before he left to earn his Master's degree from Ohio State University.

The Math Department is filled with qualified and astute teachers who are working together within the school to improve all levels of courses from Consumer Math to Computer Math and Math Analysis.

During a cluster meeting Ms. Eby, Mrs. Smoker, and Mrs. Gehman listen intently to Miss Grubbs explain the goals they want to achieve this year.

Cluster Helps Students Gain Knowledge

Including the areas of Home Economics, Health, Physical Education, and Nursing Services, the Life Long Learning cluster was ready to help students gain the knowledge and practical experiences needed for leading a happy and healthy lifestyle.

While continuing to meet the needs of the student body, the staff was also working toward improving instructional skills, expanding course offerings in the Child Development area and meeting the formal requirements for the state-mandated Human Immuno defiency virus Education.

The Life Long Learning cluster believes early awareness, broad knowledge, and thoughtful action are the keys to your success. It's up to you.

This year the Science department looked forward to renovations in the science wing. They did not get a new wing, that went somewhere else. Instead, the science wing made changes. The rooms, when they are finished, will have a new layout, new cabinets, and new lab units. There will also be a greenhouse betweeen rooms 518 and 517.

During the year, Mr. Frank Herceg, head of the science department, attended a Science Technology Society (STS) convention. They discussed issues related to solving future problems. They want to try to integrate Science with other subject areas since science affects, and is related to, many different things.

The science department is also pleased with the course *I Hate Science*. "I like the new *I Hate Science* course," said Herceg, "It brings in many students who wouldn't usually be in science classes." They also have History teacher, David Schreffler, involved in the course. That way they can combine ideas and make science more meaningful for the students.

New Staff Works Hard For Great Memory Book

Heidi Hartz loves taking pictures for yearbook so much that she perfers to see everything through the eye of a camera.

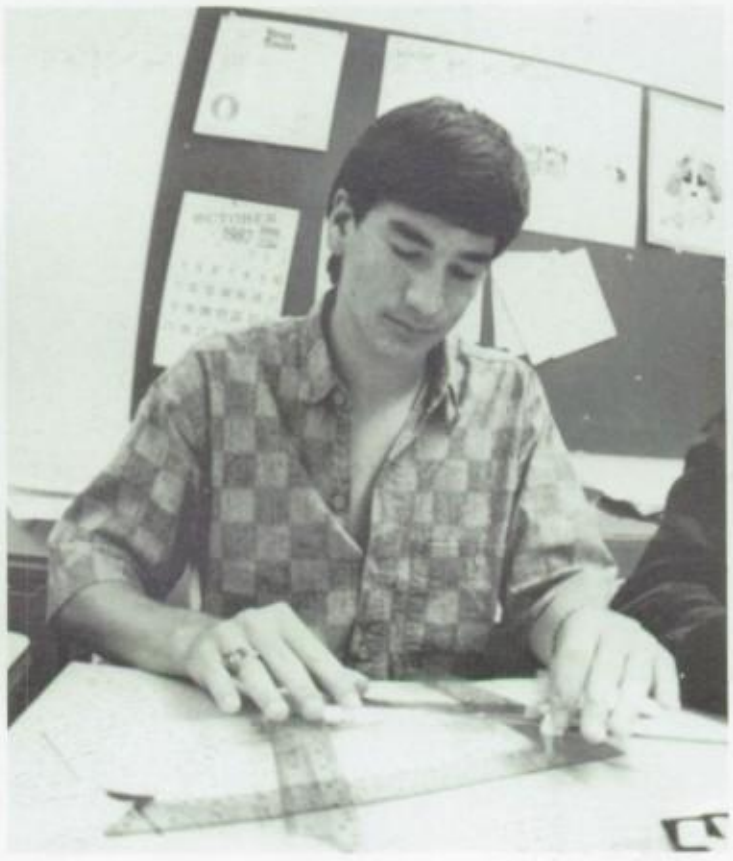
Kelly Beck laughs when thinking of all the fun it is to make a yearbook.

Michelle Wentzel and Becky Stone show that it takes teamwork between copy and layout to do a perfect job.

Yearbook Staff- Row 1: Michelle Wentzel, Becky Stone, Dawn Boley, Heidi Hartz, Kevin Winey, Jamie Komancheck. Row 2: Mrs. Lowell, Karen Bowman, Carey Habalar, Kelly Good, Cheryl Harsh, Tracy Cobb. Row 3: Kelly Beck, Jim Harch, Scott Rhoades, Carol Martin, Gail Buzzard, Sue Lando, Kellie Swope.

Cheryl Harsh debates whether she should sell 50 or 60 ads for the yearbook.

Kevin Winey learns about the hard work that goes between the pages of the yearbook.



If you need a layout done with perfection, who you gonna call? Scott Rhoades, who else?

"Who stole the computer; it was there a minute ago?" asks Kellie Swope with wonder.

"We worked hard every fifth period to make the best yearbook possible," said Mrs. Lowell, advisor for the yearbook. The 1987-88 yearbook staff was made up of 18 people, including 12 seniors. The staff was divided into three groups: copy, layout, and business. Each person was expected to put forth his best effort in order to meet the deadlines. The staff lost many students from last year so the new members had to learn about every step involved in constructing a yearbook.

"Training new students takes time," said Kellie Swope, copy editor, "which is something we don't have a lot of."

Kelly Beck, Editor in Chief, did a good job of taking charge and pushing the staff to get the deadlines done. Meeting those deadlines meant sometimes staying after school hours. Scott Rhoades, layout editor, with the other two editors, worked with the layout people to help them understand the processes involved. Sue Lando, a returning senior, helped a great deal with designing the pages.

Gail Buzzard worked with her business staff and raised money by selling ads and having a fund raiser so the best possible memory book could be made.

Along with much of the staff, Mrs. Lowell, taking over as new yearbook advisor, also learned to put together a yearbook. Even though many are new, they all have one purpose, to create a great yearbook for everyone.

KGSH Overcomes Obstacles To Bring Music To Your Ears

K.G.S.H. has had many obstacles to overcome this year. To begin with there was a senior homeroom in 214, which took awhile to be relocated. At the beginning of the year, music was cut from the program because it "Interfered with the educational process," but due to student complaints, was reinstated for ten minutes every morning. Another setback for K.G.S.H. was the need for organization, which is understandable since they only had half an hour in the morning to get the program together.

According to Jeremy Seth Ervin, Station Manager, and J. Steve Richardson, Assistant Manager, next year should have less difficulties in store for K.G.S.H. This year the staff was headed by returning advisor Mr. Stan Deen.

There is only one senior in K.G.S.H. this year which means there will be only one open spot next year. The attitude is better this year than last according to Ervin, and the teamwork should be better next year since the members will be used to working with each other.

Sean Hissey, Tina Brown, and Matt Bauer relax after an exhausting morning of announcements.

Kellie Swope works persistently to get all of the news stories into the computer so the paper can go out on time.

Spartanews Changes Format

After a spring semester of problems due to no advisor, Spartanews was back to business in September of 1987. With no budget for printing, the paper was created on the computer programs *Page Maker* and the later issues on *Ready, Set, Go*. The RSG program allowed more variation with page arrangement and the amount of pages steadily increased.

The staff moved from a daily paper format to a news magazine layout with more short stories and poetry. The editorial page was popular this year with some changes resulting from the coverage of certain issues.

Although most of the material was generated by the Journalism I class, many students and teachers submitted material. "The purpose is to get students writing and then published," said Mrs. O'Keefe, Spartanews advisor, "and also to entertain and inform the Garden Spot student body."

Student Council Works With New Advisor

Student Council, under the supervision of Mrs. Linton, thrived with Spartan Spirit this year. Mrs. Linton took over Mr. Mathews' job as advisor. Since it is her first year, Mr. Mathews and the students have shown her the ropes.

Presided over by Stacy Hoffard, the Student Council planned many activities during the school year. The other officers included Sheri Usner as Vice-President along with Glory Henry as Secretary and Mary Weidman as Treasurer.

Some of the activities planned by this student politics group were Spirit Week, Elections, Homecoming floats and the Coronation, the dances, and Valentine's Day activities.

Much Planning Brings Together Homecoming

After much planning by the Student Council, the Homecoming activities came to a conclusion on the night of the Homecoming football and soccer games. During the float judging contest the Sophomore float won with the Disney theme of Snow White and the Seven Dwarfs.

In Homecoming sports action the soccer team suffered a tough loss to Fleetwood. The football team also lost to Elizabethtown. The girl's hockey team was victorious, however, with a win over Lancaster Catholic.

To top off the Homecoming events Stacy Hoffard was crowned Homecoming Queen of '87-'88 at the Homecoming football game. Other Homecoming Queen Candidates included Vicki Martin, Krista Martin, Tracy Cobb, Lisa Landis, and Tricia Fry.

John Allgyer had previously been crowned King in front of the enthusiastic crowd assembled for the pep rally, with his fellow runningmates - first-runner up D. J. McFadden, Robert Freeman, Chris Shirk, Dennis Weaver, and Mike Deppen.

Sonya Hershey ('87) finishes her reign and crowns Stacy Hoffard the new Homecoming Queen.

Honor Society Plays Vital Role

Senior National Honor Society plays a vital role at Garden Spot. They help run the yearly challenge day for TMR students, serve as tutors, volunteer as big brothers and big sisters to selected elementary students, sponser a charity volleyball tournament and they also went Christmas Caroling this year. They also went on a field trip to New York City. Providing yearly scholarships to outstanding students and contributing to the school assembly committee are just a few of the many service projects supplied for the school.

Candidates, states advisor Dr. Burkhart, must be a sophomore, junior, or senior with a minimum scholastic average of 3.25 for the previous six semesters of high school work. They must also meet the faculty requirements for leadership, service and character. High standards of these qualities must be maintained to stay in the organization.

Senior National Honor Society is under the leadership of Dr. Larry Burkhart; President, D. J. McFadden; Vice President, Scott Giacobello; Secretary, Lisa Landis; and Treasurer, Ryan Sensenig.

Green Circle Works To Improve Human Relations

Green Circle is a program that is working to improve human relations. It is there also to teach others how to enlarge the circle of people they care about. This was how the title "Green Circle" was born; the green circle represents a circle of loving.

The program involves high school students working with younger children, usually third graders. The older kids teach the younger ones how to expand their circle of loving, and in the process learn how to enlarge their own.

This year Green Circle met in small groups to explain the goals of the program. The members were then given a script to memorize and also learned how to do a demonstration. Next they went into schools and observed.

During their visits to the different schools, the high schoolers made a flannel board presentation and they also told the "Churkengoose" story. Then they returned for follow up programs. This year the club was led by advisor Mr. Paul Barber.

Katie Hunsberger remembers Mr. Barber's corny jokes from Green Circle to keep her spirits up while she's out playing softball.

Michelle Stauffer thinks over her flannel board presentation that she will give to the third graders at a local elementary school.

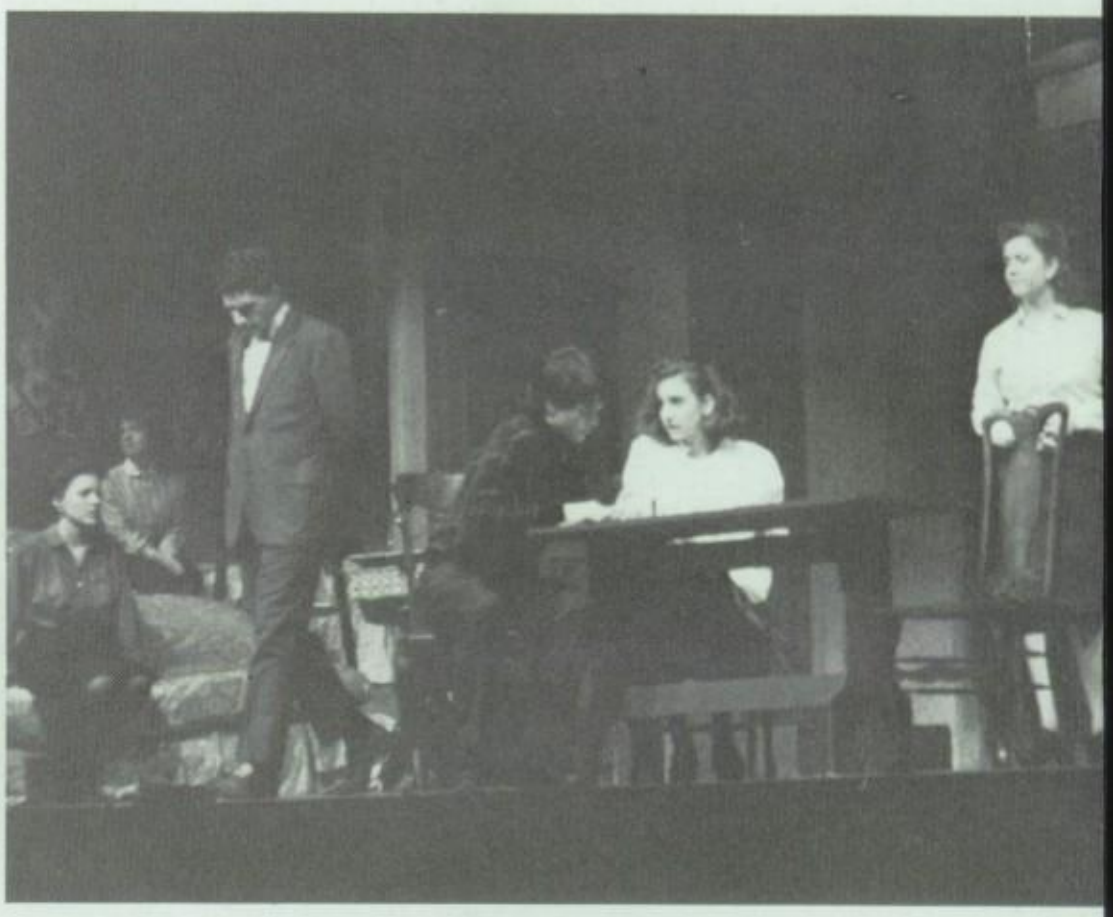
Entering its 21st year of shows, Garden Spot Performing Arts began with the fall presentation of "The Diary of Anne Frank." The true-life story which has been presented around the world as a book, a movie, and a play, finally found its way to Garden Spot's stage.

The drama centers around a young Jewish girl named Anne Frank who was forced to live in hiding to survive. It brought to life the tears, fears, and even the laughter that she, and the people who were with her, experienced while hiding from the Nazi Party and those who ruled Amsterdam during World War II.

Freshman Jenni Wolfe played the demanding role of "Anne Frank." The role of Anne's father, "Otto Frank," was portrayed by senior Dennis Weaver. These two, along with the other characters, exposed the feelings that many felt at that time of the German occupation and also how they dealt with those feelings.

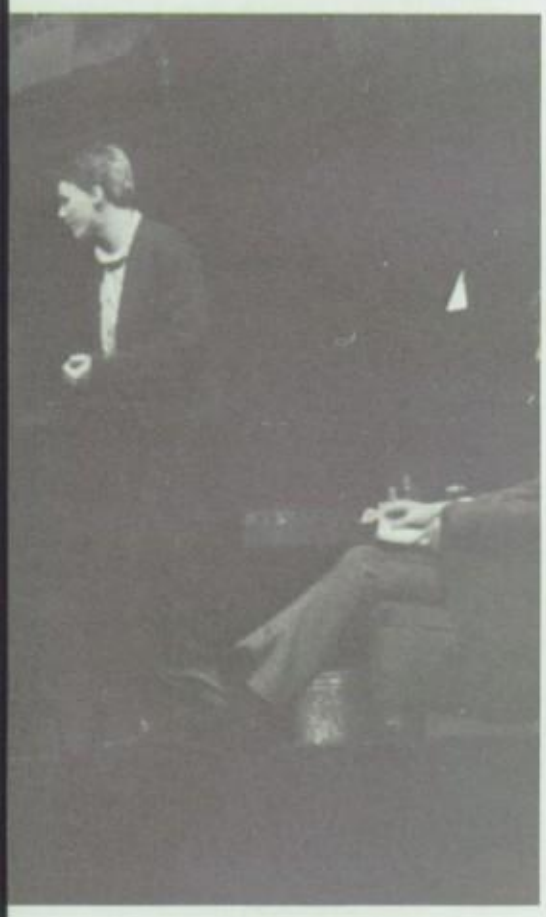
"Anne Frank has been dead many years, but her diary stands as a living memorial to all who suffer persecution because of religion, race, or creed," said Director Stan Deen in the program printed for the play. Along with Technical Director, David Martin, Artistic Director, Steve Lewis, and many other advisors, Mr. Deen directed the various crews who helped to bring about the successful production of "The Diary of Anne Frank." The people on all the crews and the cast worked hard and were proud of the fine performance which resulted.

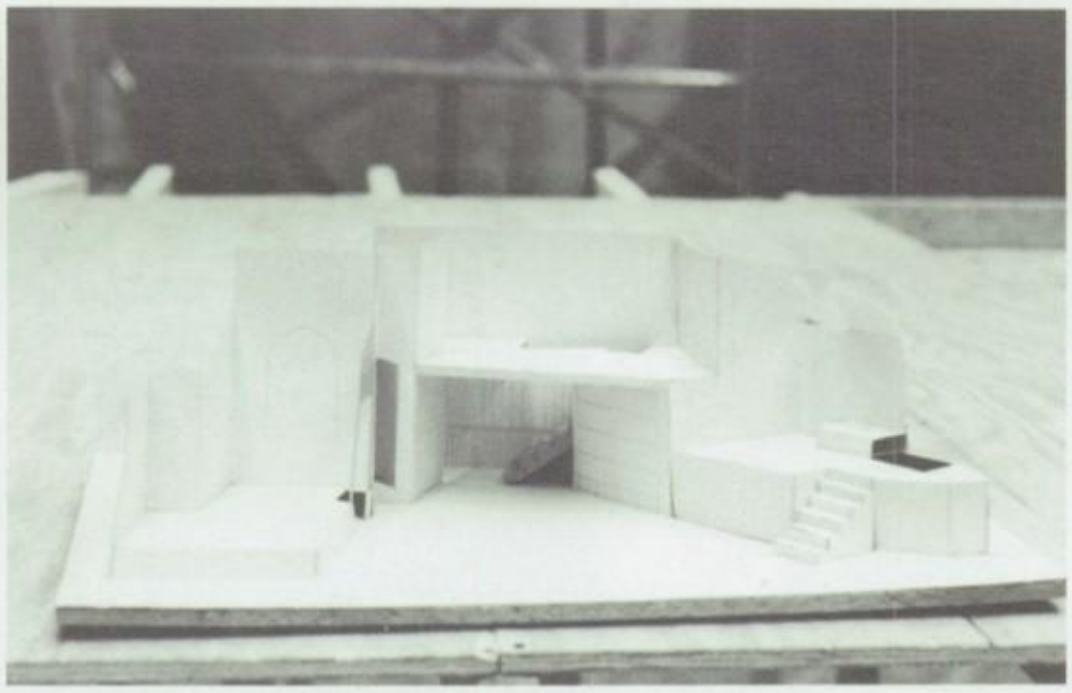
Anne and the people hiding with her, tensely wait for the time of day when they can walk around freely without the threat of being caught.



In one of the plays lighter moments, Mrs. Van Daan (Stacey Hoffard) shows Mr. Frank (Dennis Weaver), Anne (Jenni Wolfe), and Peter (Rod Shumaker) the way it used to be when she was younger.

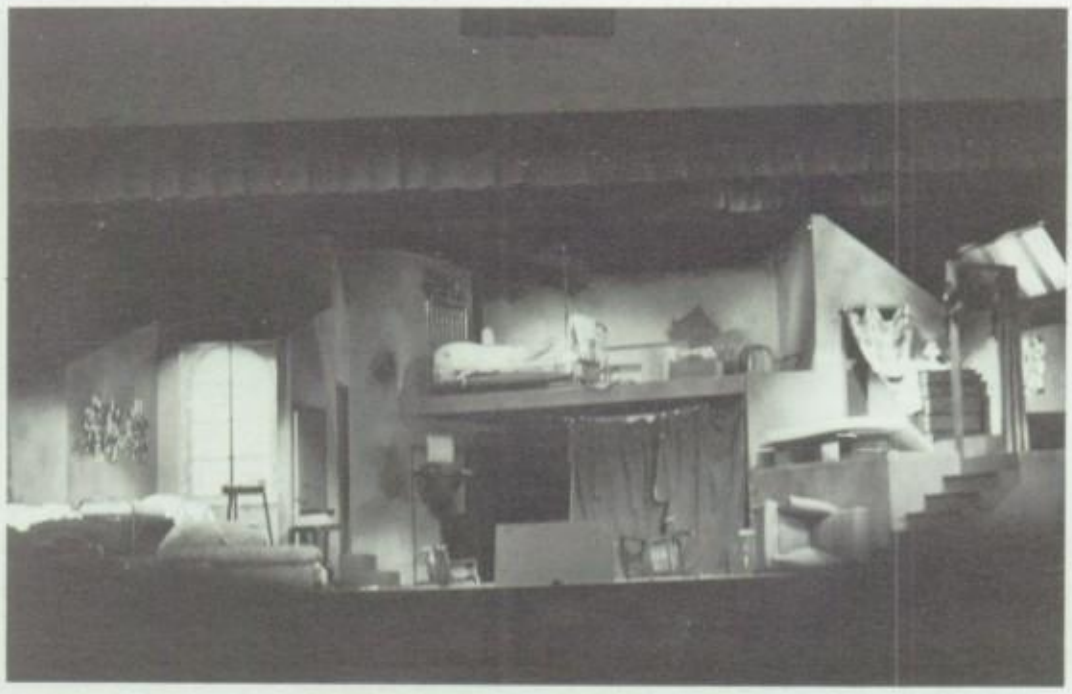
The Diary Of Anne Frank





The "Annex," the place where Anne Frank was in hiding, began with an idea that was then made into a rough model showing what the set would look like in the end.

Stage crew steadfastly works to complete an authentic stage in time for the scheduled performances.



Hard work and planning paid off when the stage came to life during the performances of November 27, 28, 29, 1987.

A Visit From Snow White

There were twelve members in German Club this year; all members helped to plan and carry out the activities at the Oktoberfest. The Oktoberfest was held on Tuesday, October 27. The German III and IV classes performed "Schneewittchen" (Snow White) for about sixty-five friends, parents, and classmates. The advisor of the German Club is Ms. Zimmerman-Collins. The officers are: President, Mary Weidman; Vice President, Merle Good; Treasurer, Cathy Case; and Secretary, Candi Esh. Mary Weidman, the president of German Club, spent three months in Germany during the second semester.

Environmental FFA Works To Make Our Land Beautiful

The purpose of the Environmental Agriculture program is to expose students to the many career opportunities in natural resources and Agri-Business. It enables those students with an aptitude and interest to pursue entry level careers and/or post secondary training.

Environmental Ag has a three year curriculum which stresses all areas of renewable resources. Areas included are soil and water conservation, plant and animal science, leadership development, public speaking, and parliamentary procedure. Each Environmental Ag class works on various committees and incorporates current issues and events into their studies.

This year, with a committee consisting of Grassland FFA members, they developed a Building Our American Communitites Project. The main thrust of their project this year involved working to make a difference in the plight of the Chesapeake Bay. To gain more insight into their project the FFA members had a day-long canoe field study on the Conestoga River in September. This was conducted by the Chesapeake Bay Foundation. Through this they learned that all of our lifestyles affect the Chesapeake and that it is not just the farmer's fault.

They also worked on monitoring the water quality at local Black Creek. It was most feasible to study at those locations because they were within our school district.

"The kids are getting good exposure to how technology and science are involved in a lot of these kinds of projects." said Robert Lauffer, advisor to Environmental Ag.

They chose Harold Wentzel's farm as a major place to do their Black Creek studies. They chose this farm for numerous reasons. The creek bisects the Wentzel's farm so it was easy to study the manure run-off from their farm, which yields a higher Nitrate and Phosphorus level in the water. Also, the creek leads into the Conestoga River which leads into the Susquehana, the major fresh water supply for the Chesapeake Bay.

"The Chesapeake Bay's problems seem so overwhelming that you might ask what difference can a hundred students at Garden Spot make?" said Lauffer, "But if everyone had that attitude nothing would ever be accomplished." He and the Grassland FFA members are looking to make that difference.

In order to better educate the public, the FFA constructed a float for the New Holland parade which showed the problems of the Bay. "In the first wagon we depicted surface run-off from over fertilizing, siltration and erosion, improper disposal of household wastes, point and non-point source pollution, and unlimited access to stream banks of cattle." said Janetta Shirk, float co-chair person, "All of which add up to a negative effect." In the second wagon they tried to show the public the possible solutions to the problems. These were just a part of what Environmental FFA was involved this year.

The BOAC chairmen this year were Phil Horning and Jeff Witwer. Sophomore Chair was Jeremy Hartranft and Freshman Chair was Troy Deshong. Their goal was to win the state BOAC competition and gold medal at the National Competition.

One of the goals of the FFA advisors is to instill personal leadership growth and development in each Ag student. They will continue to work on their goals and also, with the FFA students' help, work on improving the land we live on to once again make it beautiful.

The Production group of the Future Farmers of America consists of about 58 students. The FFA members usually go to the Farm show and a mid-winter FFA convention. Also numerous field trips are taken during the school year as part of the course work.

There were four different classes of Production Ag who met eight periods a week. Here they worked on SOE (Supervised Occupational Experience) projects. Also they worked with livestock throughout the year and had seven senior members awarded the Keystone Farmer Degree.

Production FFA also takes a number of other trips during the year. These include: FFA activity week at Penn State University, where awards were given for parliamentary procedure and other numerous categories last year; and an educational trip to the National FFA Convention in Kansas City, MO, which took place last November. Several members were chosen from not only Production, but also Environmental FFA to go to this convention.

Delegates to the FFA convention pose before they depart for Kansas City. They include: Mr. Robert Lauffer (Advisor), Janetta Shirk, Mike Lehman, Dwayne Martin, Gretchen Frederick, Jim Shirk, Mike Lindenmuth, Phil Horning, and Mike King.

St. Louis' Gateway Arch and the St. Louis waterfront on the Mississippi River were part of the trip west to the FFA Convention.

Members of the Grassland FFA Chaprer fielded the Top Parliamentary Procedure team in the state for 1987. First place money of $600 was spent on an educational trip that was highlighted by skiing at Lake Placid. Serving on the team and their respective offices were: Jim Shirk (Vice-President), Molly Wise (Reporter), Lamar Gockley ('87 Graduate) (President), Gretchen Frederick (Chaplain), Michael Lehman (Sentinel), Janetta Shirk (Secretary), Mike Lindenmuth (Treasurer), Phil Horning (Student Advisor).

I.A. Club Builds Projects For Enjoyment And Competition

Every Wednesday the Industrial Arts Club officially met after school. Any student was eligible to join the club. "The students had a lot of freedom in the type of activities they pursued." said advisor, Mr. David Martin.

Most projects were built for competitive events which took place at the regional, state, or national level. Among the most popular events with Garden Spot students were the metric 500 bridge building and drawing contests. In addition to competitive events, they printed T-shirts as both a service to various clubs at Garden Spot and as a fund raiser.

The main purpose of Ecology Club is to make other people, along with the members, more aware of their actions and their effects on the environment.

"We just want to have people become more environmentally aware," said Mr. Frank Herceg, club advisor; "With that understanding, we will hopefully be better able to make informed decisions."

The club worked on such topics as Radon, Acid Rain, the Narvon Dump, and the plight of the Chesapeake Bay. They have also made trips to Nolde Environmental Center, Rodale Experimental Farm, Delaware Water Gap, and a few other places, including a camping trip to West Virginia.

The club only met a few times a year as a whole group. Most of work was done during student study halls.

Vo-Tech Undergoes Changes

The Vo-Tech program underwent some changes this year. In the past, students spent half a day at their home school and half a day at Vo-Tech. This year all Vo-Tech students have English first period, then they go to Vo-Tech for the remainder of the day. A few students, who need other credits to graduate, come back to Garden Spot after lunch. There were twelve seniors and four underclassmen in Vo-Tech this year.

To avoid going back to class, Chad and Wayne pose for the photographer.

Chess Team Has Dedication

This year the Chess team finished with three wins, eight losses, and one draw. Four seniors, Adrienne Payne, Jim Shirk, Quentin Rissler, and Pha Pha, formed the nucleus of an experienced team, supplemented by two eighth graders, Clem McGrath, Brian Beiler and junior Mike Rutter. Gary Perciful, Dave Seifrit, Karen Dero, Jason Milner, and Eric Solbrig also helped to make the team stronger.

Among the four seniors, Adrienne Payne has played for the past three years, while Jim Shirk, among his other activities, became active only this year. Quentin Rissler has been a consistant player over the last three years. Finally Pha Pha, a transfer from Conestoga Valley High School, was at every practice and every match since he joined the team three years ago. This year, the team was advised by William Tillotson.

Because of the dedication of the members, the team completed the season, although down from what they had hoped, content with the fact that they had taken the time to participate in the season.

Quentin Rissler studies the board, searching for the best move to make to win the game.

"Total concentration is the key to Garden Spot Chess Club," says Mr. Tillotson and Adrienne Payne.

Co-Op Develops Work Attitudes

The 1987-88 Cooperative Vocational Educational Program involved 28 students 1st semester and 35 students the 2nd semester.

In preparation for their jobs, which ranged from entry level positions such as auto mechanic to office clerk, the students must also participate in Co-Op class. In these classes, which are held during 5th period, the students study such subjects as human relations, consumer skills, budgeting, safety, credit, taxes, career search, and job skills.

Mr. Carl J. Cobb, world renowned briefcase owner, is in charge of the Co-Op program. One of his responsibilities is to help students develop the proper attitude and valuable work habits such as initiative and dependability.

Co-op student Shane McGinnis puts a finishing touch on his classic car.

Amy Ludwig smiles while working at the Filler Shop.

Philip Chubb gives a smile as he pieces a car together.

Richard Messner displays his strength while working at New Holland Meat Market.

April,
To a good friend and great person I met just this year in softball. Remember all our great (4-4) softball practices and games. Have a great summer. See ya next year.
Love ya
Yvonne

April, I hope you and Todd can settle things because your a special person and he wont know what to do without you. I never really met you till this year and I think your a very special person from what I know about you. I also hope that you have an excellent summer, and beware of people who don't know what they're talking about.

P.S. Take care because I care

A-
I have known you
for a while and have found
that a friend sticks
around. Good Luck and God Bless.
Love,
Melissa O.

April,
To a great
friend and a
cool gal, I met way
back in elementary
school. Never forget all
the great times in English 9.
We had a lot of great times.
I hope to see you next year. Don't
move to a New Holland #1! Good luck
in all you do & get all those sexy guys!
Good luck with Todd!
'91 the best!
Love,
Kara W.
Keep on Smiling!

April, Dude, Yo Weinhold!!!

Pay attention!!! You know your my very very very uptemost best friend. Thanks for all the great advice and times we've spent together. I hope I was able to help you during some of those times too. Well enough of that emotional shit! Don't forget all those great years at comp, playin golf or just generally hangin' out. Last July 4 we spent maybe we can do it again some time only sober chaperoned! Think of all the beer and cigarettes we'd consume! This summer we've got to go to work (one I get a job) to pay off those awesome go motides we're getting. Then we can go cruisin'!

I told ya'll needed a big space!!!

Whoever you bring to my party I know we'll have a blast even though mom's gonna be there!
